Mr. Lawrence Houston

10 July 1952

25X1A

Letter of clearance

1. This is a confirmation of the remarks I made yesterday in conference with you concerning a letter of clearance. I would like to receive a statement from a responsible CIA official to the effect that:

"During the month of May complaints were made against you by employees of the Agency. These complaints were investigated and found to be completely baseless."

cc: Mr. Stuart Hedden
